

Vision Initiative - small grants application form

Small grants

The purpose of these grants is to support groups or organisations to coordinate a project that raises awareness of the importance of regular eye tests within their community. Ten grants of \$500 each are available for 2010.

Who can apply?

Health related organisations and community groups servicing a Neighbourhood Renewal site. Grant money can be used for a variety of things including, but not limited to: catering, venue/equipment hire, publicity, childcare, transport to venue, interpreter, entertainment, speakers etc.

What are the conditions of funding?

All applications will be considered and preference will be given to those targeting the Vision Initiative's key groups which include people:

- over 40 years
- from non English speaking backgrounds
- with diabetes
- of Aboriginal or Torres Strait Islander descent
- with Health Care Cards.

All participating groups will be required to complete this application form and a simple evaluation report following completion of the project.
